Title: NICHOLAS SAND

Character: BOND DEFAULT

Synopsis: On 3-8-74, NICHOLAS SAND was found guilty of income tax evasion and narcotics charges, all stemming from his manufacture and possession of LSD. United States District Court Judge (USDJ) SAMUEL CONTI, San Francisco, sentenced SAND to a total of 15 years in custody and a \$10,000 fine. SAND and his co-defendant, [REDACTED] both appealed their convictions to the United States Circuit Court of Appeals. Both defendants were allowed bail by the Circuit Court of Appeals pending the outcome of that appeal. SAND appealed for and was granted permission to travel to Benson, Arizona, for business purposes. On 9-13-76, the United States Circuit Court of Appeals at San Francisco denied the appeal of NICHOLAS SAND. His co-defendant, [REDACTED] also had his appeal denied. [REDACTED] has since appealed his conviction to the United States Supreme Court. SAND filed no appeal to the Supreme Court and the United States Circuit Court ordered the mandate of the District Court to be imposed. SAND has failed to appear for incarceration and all attempts at locating him by the United States Marshals and other related agencies have met with negative results. SAND's whereabouts are unknown. CAUTION: SAND WAS CONVICTED FOR THE MANUFACTURE AND POSSESSION OF LSD. IN VIEW OF HIS ACTIVITIES WITH NARCOTICS, HE SHOULD BE APPROACHED WITH CAUTION.

DETAILS:

Investigation in this matter is predicated upon receipt of information from the Internal Revenue Service (IRS),

SF 115-1127  
JBD:ert

San Francisco, that NICHOLAS SAND had been convicted of income tax evasion and narcotics charges, and that a Federal bench warrant charging SAND with failure to appear had been issued on October 6, 1976 by United States District Court Judge SAMUEL CONTI. On October 15, 1976, Assistant United States Attorney (AUSA) [redacted] Tax Division, San Francisco office, advised that he and AUSA [redacted] of the Criminal Division would authorize prosecution of SAND for bond default. AUSA [redacted] requested the FBI to enter the investigation to locate and apprehend SAND.

b6  
b7C

Deputy United States Marshal [redacted] San Francisco, advised on October 16, 1976 that he held in his possession a warrant issued by Judge CONTI for the apprehension of SAND, charging him with the failure to appear.

b6  
b7C

Contact was made with Special Agent [redacted] Drug Enforcement Administration (DEA), San Francisco, who advised that he along with other DEA agents had been involved in the original investigation of SAND. [redacted] indicated that SAND at the time of his trial had a co-defendant, [redacted] but that [redacted] and was not a major narcotics figure. [redacted] indicated that SAND himself was one of the principal manufacturers and distributors of LSD in the United States. [redacted] further noted that SAND has been involved with the narcotics business for a number of years. He noted that neither he nor his agency has any information on the immediate whereabouts of SAND, but believes that SAND may have traveled to Mexico following the denial of his appeal. He commented, however, that based on SAND's background and involvement in the manufacture of LSD, he fully expected that SAND would re-appear in the United States in a relatively short period of time.

b6  
b7C

[redacted] noted that during SAND's appellate procedure he had been permitted by the court to travel to Benson, Arizona, where he ostensibly worked as a counselor at a delinquent boys home. [redacted]

b6  
b7C  
b7D

[redacted] He could provide no names of [redacted]

SF 115-1127  
JBD:ert

persons who might have been contacted. He noted that SAND's background indicates that SAND is not the actual producer of LSD but provides the financing and materials for the establishment of labs which are then run by chemists to produce LSD, which SAND then markets.

[ ] further indicated that the original violation SAND had been arrested on was income tax evasion. He noted that the IRS, San Francisco office, had also done extensive investigation concerning SAND's background and financial activities. This provided the basis for his original indictment at San Francisco.

b6  
b7C

Contact was made with IRS Agent [ ] and Agent [ ]. Both agents confirmed information previously provided and advised that because of IRS regulations they could not make their investigative files available to the FBI. They did provide information contained therein which confirmed information previously provided by DEA Agent [ ] and a review of the files of the USA and United States District Court.

b6  
b7C

On October 21, 1976, the files of the United States District Court at San Francisco concerning NICHOLAS SAND were reviewed by SA [ ]. That review indicated that SAND had been convicted in United States District Court, USDJ SAMUEL CONTI presiding, on March 8, 1974. The charge had been income tax evasion (Title 26, United States Code, Section 7201). Additionally, he had been convicted of conspiracy to manufacture LSD and manufacturing and possession LSD and the conspiracy to default the United States. SAND, represented by counsel, [ ] on June 30, 1974, appealed his conviction to the United States Circuit Court of Appeals at San Francisco. The Circuit Court allowed SAND to go free on an appeal bond.

b6  
b7C

Contained in that file were requests from the defendant, SAND, to travel in December of 1975 and again in July, 1976, to travel to Benson, Arizona, for a job interview and subsequent employment at the Desert Sanctuary, Benson, Arizona.

SF 115-1127

JBD:ert

On September 13, 1976, the United States Circuit Court of Appeals at San Francisco denied the appeal of NICHOLAS SAND. The formal notice of denial of appeal, dated September 14, 1976, was located in the file, and it was noted that a copy of this had been forwarded to SAND through his attorney. That notice indicated that should SAND fail to appeal his conviction to the United States Supreme Court, that the mandate of the District Court would issue in 21 days. There was no record of any appeal to the Supreme Court by either SAND or his attorney.

On October 6, 1976, a bench warrant was issued by Judge CONTI for the arrest of NICHOLAS SAND.

1

SF 115-1127

JBD:ert

The following investigation was conducted at San Francisco by SA [REDACTED]

b6  
b7c

On December 6, 1976, the file of the United States Attorney (USA) concerning the proceedings against NICHOLAS SAND was reviewed at the USA's Office, San Francisco. That file indicated known aliases of SAND to be Nicholas Dashman, Alan Bell, and James Orr. Further, the file indicated that [REDACTED]

[REDACTED] was the defense counsel for SAND. [REDACTED] telephone number is listed as [REDACTED] Co-defendant in the trial of SAND was [REDACTED] [REDACTED] was represented by [REDACTED] of the Federal Public Defender's Office.

On March 8, 1974, SAND had been found guilty of income tax evasion (Title 26, United States Code, Section 7201), conspiracy to manufacture, sell, possess and distribute LSD (Title 21, United States Code, Section 841 and 846 and Title 18, United States Code, Section 371), and of the manufacture and processing of LSD (Title 21, United States Code, Section 331(q)(1)) and the conspiracy to defraud the United States (Title 18, United States Code, Section 371). This matter had been tried before United States District Court Judge SAMUEL CONTI, who on that date sentenced SAND to three years custody and a \$5,000 fine on count one, five years with a special parole for two years on count four, five years on count five and two years and \$5,000 fine on count eight.

Following his conviction and sentencing, SAND, through his attorney, filed an appeal to the United States Circuit Court of Appeals. It was noted that throughout the original trial SAND had been in custody, having been unable to make the \$500,000 bail. When the case was appealed to the Court of Appeals, the bail was reduced, by the Court of Appeals, to a \$50,000 bond, ten percent cash or corporate surety. During the time the case was on appeal to the United States Circuit Court both SAND and [REDACTED] (who had been free on bail during the trial) were both free on bail.

b6  
b7c

2

SF 115-1127

JBD:ert

The file further indicated that SAND had requested permission to leave the Northern District of California for the dates December 20, 1975 through January 4, 1976 and obtained permission to travel to the Desert Sanctuary (a home for delinquent boys) in Benson, Arizona. This request, made in connection with an application for employment at that location, was granted by the court. Again, SAND applied for permission to travel to that location from the dates July 10, 1976 through August 20, 1976 to work at the Desert Sanctuary, Benson, Arizona. It was noted that a letter was contained in the file from [redacted] at the Desert Sanctuary, confirming that SAND would be employed through those dates.

b6  
b7C

Apparently SAND returned to the Northern District of California following this employment in Arizona and on September 13, 1976, the United States Circuit Court of Appeals at San Francisco denied his appeal. A copy of the formal notice, dated September 14, 1976, was located in the file which indicated that if no appeal to the United States Supreme Court was filed that the mandate of the court, that being the sentence adjudged previously, would issue in 21 days. No appeal was filed by SAND or his attorney.

It was noted that co-defendant [redacted] through his attorney, had filed an appeal to the United States Supreme Court. That appeal has not yet been decided. A notation in the file indicates that SAND apparently conformed with the restrictions of his bond during the appellate process until the appeal was denied, at which time he apparently has fled the Northern District of California.

A check of the California Department of Motor Vehicles (DMV), Drivers License Section, has indicated that SAND was issued California drivers license Number S0630544. That license describes SAND as follows:

Date of Birth	May 10, 1941
Height	5'10"
Weight	160 pounds
Hair	Brown
Eyes	Blue
Address	774 Waldo Point Road, Gate Five Sausalito, California

A check of DMV indicates that SAND has registered to him a 1963 Mercedes Benz, California license 302 JYR, Vehicle Identification Number (VIN) 11101210113171. This vehicle is registered to SAND at the Waldo Point Road address.

Information obtained from DEA Agent [redacted] indicates that SAND was married to [redacted]

b6  
b7C

A physical observation of the neighborhood at 774 Waldo Point Road, Sausalito, California, indicated that neither of the above-described vehicles was present. It should be noted that the Gate Five area of Sausalito is composed of numerous houseboats, occupied by many individuals who may reportedly be involved in narcotics activity.

b6  
b7C

[redacted] attorney of record for NICHOLAS SAND, was contacted at his office, [redacted]

b6  
b7C

He was advised that the FBI had been requested to enter the investigation to locate and apprehend NICHOLAS SAND based on the bench warrant issued by Judge CONTI. [redacted] stated that he had no objection to talking to the FBI as long as it did not concern the case in which he had represented SAND. He noted that following the denial of the appeal of SAND's conviction, he attempted to contact SAND through the Waldo Point address. He noted that he was never successful in contacting SAND at that location and was advised that he had left the area. He has received no response to requests mailed to that location for SAND to contact him concerning the further appeals. He noted that SAND's co-defendant, [redacted] through his attorney, has filed an appeal to the United States Supreme Court of his conviction. [redacted] stated that he has no idea where SAND might be located, and that he is aware of his responsibility as an officer of the court to surrender a Federal fugitive.

The above information was discussed with AUSA [redacted] who indicated that he would authorize presentation of this matter to the Federal Grand Jury at San Francisco for an indictment.

For the information of the Philadelphia Office, NICHOLAS SAND has been convicted in United States District Court (USDC), San Francisco, for income tax evasion and numerous charges relating to the possession and manufacture of LSD. According to Drug Enforcement Administration (DEA) agents at San Francisco, SAND is one of the principal manufacturers of LSD in the United States. SAND was allowed to go free on bail while his case was being appealed to the United States Circuit Court of Appeals at San Francisco. On 9-13-76, the United States Circuit Court of Appeals denied SAND's appeal and ordered that the sentence imposed by the District Court should be carried out. [REDACTED]

[REDACTED] DEA investigation indicates that SAND does not actually participate in the manufacture of LSD, but instead provides the financing and facilities in which various chemists produce the LSD. The above information is provided to Philadelphia in conducting your inquiries so that any DEA agents knowledgeable concerning the manufacture of LSD might be able to provide logical investigative leads. It should be noted that DEA Agent [REDACTED] recently assigned to the San Francisco Office and knowledgeable concerning the activities of SAND, has just been transferred to the Philadelphia Office of DEA and could be contacted for background information.

San Francisco has no knowledge of any information which would indicate that SAND might be living or traveling in the Philadelphia area. SAND is described as a Caucasian male, date of birth 5-10-41 at New York, height 5'10", weight 160 pounds, hair brown, eyes blue. SAND has also used in the past the following dates of birth: 9-12-43, 5-10-31, and 5-10-45. SAND has registered to him a 1963 Mercedes Benz, California license 302 JYR, VIN 4DSD2205. As noted in referenced communication, SAND's FBI Number is 592 417 E, and he has a Social Security Account Number of 061-32-7563. Additionally, he has a valid California drivers license, License Number S0630544, due to expire in May, 1977.
